

# Magic Strap Toggle

CODE: CS14

## Applications

- Kitchen wall cabinets
- Living room cabinets
- Shelving
- Wardrobes
- Handrails
- Pictures
- Mirro
- Lamps
- Heavy hanging baskets
- TV wall mount
- Air condition

### Anchor clip

- Gravity flips automatically.
- Claws bite the plasterboard
- Rungs prevent clip from cutting into the plasterboard
- Easier to flip when installed on the wallboard and ceiling.
- Make the anchor clip and strap form a certain angle into the hole.

### Double strap

- Locking ratchet
- Adjustable anchor length
- Easier installation

### Plastic cap

- Easier to slide on strap
- Perfect fit the driling hole
- Detachable

**Patent-designed CAP** combined with the thickened strap offers a strength that surpasses the majority of similar products.

### Slot

- Easy to assemble. The small teeth distributed above make the assembled plastic cap not easy to slide.

### Ring handle

- Easy to pull

## Features & Benefits

- Heavy Duty
- Fast and easy to install
- 1/2" hole
- Automatically adjusts to thickness of wall or ceiling
- Compared to other similar Toggles in the market, the price is lower
- Won't damage the plasterboard

Length: 149mm

## Installation information:

Drill 1/2" hole.

Install the anchor clip into the hole. Notice that the side with the rungs is facing horizontally up.

Insert the plastic cap into the hole in the drywall.

Pull the ring handle to make the anchor clip next to the plasterboard. Meanwhile, push the cap into the drill hole.

Snap the strip along the edge of the cap.

Use screws to secure the item.
